

**Next steps agreed at the GRPE/ISO group of experts meeting on gaseous hydrogen onboard storage systems held on 30 July 2002 in Munich, Germany**

- The next meeting of the GRPE/ISO group of experts should be officially announced by the beginning of next week.
- Conveners of the EIHP and ISO working groups will develop proposals on open comparative comments and also for document **N 09** comments. The proposals shall be distributed to the GRPE Ad-hoc/ISO groups 1 week prior to the next meeting of the Expert group on 24/25 October 2002 in Vancouver.
- The results of the meeting will be distributed to the experts that could not attend the meeting (the week after the meeting). We should not expect many comments at this point.
- The revised EIHP draft regulations and the ISO draft standards should be distributed to the GRPE ad hoc group members one week prior to prior to the GRPE ad hoc group meeting that is to be held on 14-15 November 2002.
